Underside view of a FORD TRANSIT VAN  
featuring OMNI VR brackets with Left / Right  
Wheelchair Positions installed

Every OMNI VR Kit is developed with maximum flexibility between wheelchair positions and seating requirements in mind, allowing you a choice of several wheelchair placement locations to suit your needs.

### Fully Customized

Every OMNI VR Kit is designed and certified for the exact make and model of your full-size van, allowing you a choice of several wheelchair placement locations.

### iQ Quality

All OMNI VR Kits are tested, certified and approved by VCA, UTAC, TÜV, etc. at the **iQ Research Centre of Excellence**, our world class research and design facility.

### OMNI Approved

All kits are available with Q'STRAIN or SURE-LOK retractors and OMNI anchorage options.

### Flexible Layouts

Vehicle layouts are designed with maximum flexibility between wheelchair positions and seating requirements in mind.

### Painless Installation

All anchorage systems have been designed to enable quick installation with the majority of parts being self-jigging.

### Popular Models

Current available for: Ford Transit, Mercedes Sprinter, Dodge Promaster, and Volkswagen Crafter vans.

Research Centre of Excellence

### STRINGENT STANDARDS

Every OMNI-VR kit is engineered and tested at the iQ Research Centre of Excellence, our world class research and design facility.
